New Golden Mile, Costa del Sol, Espagne

ID#: 225878

Description:

This elevated 1237 square meter plot of land is located on the new golden mile in Estepona in the La Resina golf course urbanization (Estepona East). It is completely flat and has a beautiful stone retaining wall around it. The owners of the plot have received a license to build the projected villa and all bank guarantees with the Estepona Town Hall are in place in order to allow the building of the project to commence immediately. The Executi...
