Manilva, Costa del Sol, Espagne

ID#: 237354

Description:

Huge combined plot of 33,000m². It's very close to the sea and comes with an 88m² "Almacen". As the land is so big you can look to change the legal status of the Almacen and you could apply for a permit to build a single family home – know that typically 1% of the land is allowed, which would mean a 330m² house with sea views. I'm thinking horses ?. Seek legal advice.
