

Appartement te koop

Cerros del Aguila, Costa del Sol, Spanje

ID#: 237242

Beschrijving:

There are homes you simply visit... and others you feel the moment you walk through the garden. This cozy ground-floor apartment, located in the Colina Park residential complex, allows direct access from the communal areas, with no lift and no steps — something increasingly valued by those who appreciate everyday comfort. The property offers approximately 47.54 m² built area plus a 4.54 m² covered terrace, with a practical and welcoming l...
